

## 1 Ton-1.6m-Manual hydraulic lifter

### Part No.: WRLF1601

| Product Code           | Unit | VB03020024 | VB03020025 | VB03020026 |
|------------------------|------|------------|------------|------------|
| Rated Capacity         | kg   | 1000       | 1500       | 2000       |
| Load Center            | mm   | 400        |            |            |
| Maximum height of fork | mm   | 1600       |            |            |
| Minimum height of fork | mm   | 90         |            |            |
| The fork length        | mm   | 1000       |            |            |
| Single fork width      | mm   | 100        | 120        | 120        |
| Fork out width         | mm   | 300-850    | 320-850    |            |
| The front wheelbase    | mm   | 178        |            |            |
| Minimum turning radius | mm   | 1250       |            |            |
| The front wheelbase    | mm   | Φ80×70     |            |            |
| The back wheelbase     | mm   | φ150×50    | φ180×50    | φ180×50    |
| The Total length       | mm   | 1380       |            |            |
| The Total width        | mm   | 850        |            |            |
| The Total Height       | mm   | 2100       |            |            |
| The Total Weight       | kg   | 255        | 265        | 290        |
