

Tyco 4B-I 4" Isolator Detector Base

Part No.: 517.050.043

Tyco 4B-I 4" Isolator Detector Base 517.050.043

The new Tyco 4B-I 517.050.043 4" isolator base designed to snap-fit to the ceiling tile adaptor or it can screw fix to a ceiling in the traditional manner.

Tyco 4B-I 4" isolator base designed specifically for use with the 830 series detectors and provides protection against short circuit faults on the MX digital addressable loop.

For humid and environmentally challenging applications such as marine or offshore installations: Optional 4B-DHM Deck Head Mounting available separately.

Features

- ✓ For use with the 850 series detectors
- ✓ Compact rigid design that improves the appearance and is easy to install
- ✓ Up to 250 x 4B-I 4" isolators can be connected on each loop
- ✓ Detector locking pin included
- ✓ Detector park position for service and commissioning
- ✓ Choice of 8 mini-trunking break-outs
- ✓ Product Code: 4B-I (517.050.043)
