

Tyco DHM-5B Deck Head Mounting

Part No.: 517.050.603

Tyco DHM-5B Deck Head Mounting 517.050.603

The Tyco DHM-5B deck head mounting is used for humid and environmentally challenging applications such as marine or offshore installations. The DHM-5B (517.050.603) deck head mount provides a sealed waterproof mounting which protects the electrical connections in the base.

Tyco DHM-5B can be screwed, bolted or welded to the deckhead. Supplied with 1 terminal. If more are required, use the optional base accessory terminal kit.

Features

- ✓ 4 x 20 mm gland entries
- ✓ Fits all 5" bases
- ✓ IP55 with supplied gasket
- ✓ Product Code: DHM-5B (517.050.603)
