

Humidity Measurement Module for OEM Applications

Part No.: EE1900

Technical Specification

Measuring range –Humidity	0...100 % RH
Measuring range –Dew point	-20...80 °C Td (-4...176 °F Td)
Working range –Temperature	-70...180 °C (-94...356 °F)
Sensing element	E+E proprietary coating, Automatic sensor ReCovery (ARC)
Output	0-1 V / 0-5 V / 0-10 V / 0-20 mA / 4-20 mA (3-wire)
