

Digital Element for Highly Accurate Humidity and Temperature Measurement

Part No.:HTE501

Technical Specification

Accuracy	$\pm 1.8 \% \text{ RH (incl. hysteresis) } / \pm 0.2 ^\circ \text{C}$
E+E proprietary coating	
Supply Voltage	2.35-3.60 V
Constant current heater	
I ² C interface	with selectable addresses and direct 16 bit integer output
