

600 SERIES Slip-Resistant General Purpose Tapes and Treads

In the tortuous world of slips, trips and falls, **3M™ Safety-Walk™ Slip-Resistant Tapes and Treads** stand tall as an effective prevention aid. These mineral and non-mineral coated products of 3M science are offered in many sizes, colors and textures, along with multi-color, printed and luminescent choices. All designed to help you avoid injuries, reduce costs and maintain your good standing.

600 SERIES is for light to heavy shoe traffic areas, such as Flat surfaces | Steps | Stairways | Entrances | Ramps | Ladders | Lawn equipment | Snowmobiles | Scooters | Construction machinery and vehicles | Other machinery and vehicles

600 SERIES is for shoe traffic areas with graphic opportunity. **Photo-Luminescent** | Interior stairways w/o outside lighting | Egresses | For prevention of slips in dark environments. **Yellow-Black** | Visibility | Stands out even more than just yellow or areas that need calling attention to | Marking boundaries | Lane marking. **Clear Graphic** | Clear abrasive over your custom graphic | Retail branding | Directional signage | Watercraft and recreational vehicle graphics
