

FIRE FIGHTER EX-PROOF LAMP - WOLF TS-24

Part No.: WR352018

The Wolf TS-24 is an explosion-proof torch designed to be simple and reliable, easy to carry, and lasts for a long time.

The compact torch design has a high-grip ergonomic form with easy single-handed switching, even with gloved hands. The torch body offers high strength, and proven impact resistance even at sub zero temperatures, using carefully selected thermoplastic resins with excellent chemical resistance. Additionally, the rubber armoured lens ring and end cap give enhanced grip and shock protection. The lens is scratch and chemical resistant.

The torch is sealed dust tight and protected from water immersion, with a certified IP67 enclosure. Right angle models incorporate a replaceable high strength thermoplastic belt clip for hands free use. Both models allow straightforward battery and bulb replacement, a spare bulb is fitted in the bulb holder for quick and convenient replacement. All models are supplied with wrist straps and clip rings.
